PRODUCT DESCRIPTION

Les Acrobates De Gras No. 324 Glass Pendant Light by DCW éditions

The Les Acrobates De Gras No. 324 Glass pendant was designed by DCW, taking inspiration from Bernard-Albin Gras's renowned [Lampe Gras collection](#) and from trapeze artists that entertain on high wires in a graceful and beautiful manner. This pendant light has a spherical glass lampshade which diffuses the light source for an overall illumination that is warm and comforting.

The pendant lamp comes in two sizes, the smaller 175 and the larger 250, so you can find the right size for your space. The suspension cables are also adjustable and can be placed where you want so you can create a unique aesthetic suitable for your interior. Works wonderfully in work spaces, homes and commercial settings.

The Les Acrobates De Gras No. 234 suspension light is available to buy online with two glass shades of the same size. You can, however, mix and match sizes and also match with other shades from the [DCW éditions Les Acrobates de Gras collection](#) on request. Please [contact us](#) for more information.
