Panzeri Olivia Suspension

The Panzeri Olivia Suspension Light, designed by Silvia Poma, combines mid-century design with modern versatility. Its ribbed blown glass shade, available in seven sophisticated finishes, white, crystal, steel, amber, bronze, tobacco, and green, offers a rich interplay of texture and light. The ribbing diffuses the LED illumination into a warm, ambient glow, making it ideal for creating an inviting atmosphere.

With a compact design and a choice of black or matt brass canopies, the Olivia Suspension Light fits seamlessly into kitchens, bedrooms, boutique interiors, or as part of a striking clustered arrangement. Its adjustable fabric cable allows for flexible installation, making it suitable for spaces that value both functionality and elegance.
