PRODUCT DESCRIPTION

1G Plug Socket by Buster and Punch

Created by Buster and Punch, the 1G socket matches their [switch range](#), with 5 luxurious colours available: black, brass, smoked bronze, steel and white. The plug socket can be used alongside any of the lights in their collection that have a cable and plug. The socket is also a chic addition to any interior to provide you with handy electrical points throughout your home for an elegant look.

Single Socket, 13AMP switched

PRODUCT SPECIFICATION

Dimensions: Height: 8.8cm
Width: 8.8cm
Depth: 2.5cm

Recommended Back Box:
1G square back box - 47mm depth

When installing the socket, we recommend that backboxes are set back a minimum of 4mm from the finished wall surface. This is to ensure a flush install between the back of the socket plate and the finished wall.
