PRODUCT DESCRIPTION

2G USB Plug Socket by Buster and Punch

The 2G USB socket is a double plug socket fitted with USB ports for a handy and versatile electrical point, suitable for workspaces and domestic settings. The USB plug socket is made from solid metal. The addition of a USB port to a plug socket means you can charge all manner of devices including portable lights which commonly use USB chargers. Also use alongside any light that needs a cable and plug and add a refined touch to your space.

Plug Socket:
Double Socket, 13AMP, 250V, switched

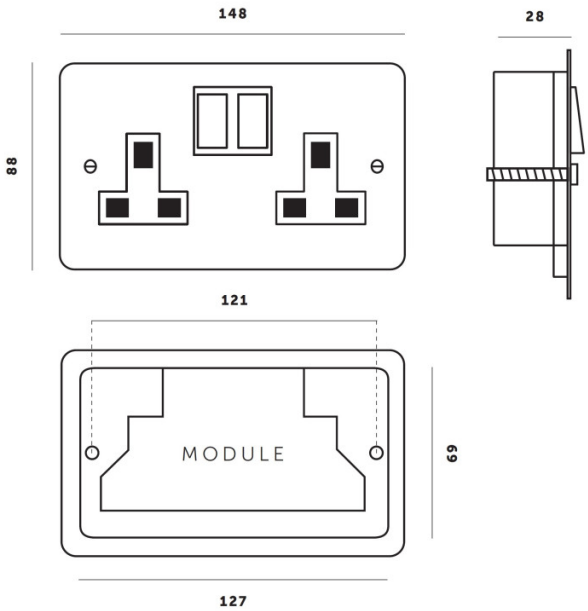

USB charger:
3.1A, 5V

PRODUCT SPECIFICATION

Dimensions: Height: 8.8cm
Width: 14.8cm
Depth: 2.8cm

Recommended Back Box:
2G square back box - 47mm depth

When installing the socket, we recommend that backboxes are
set back a minimum of 4mm from the finished wall surface. This is to ensure a flush install between the back of the socket plate and the finished wall.
