Colt Triple LED Pendant Light by Bert Frank

A part of the Bert Frank Colt collection, the Colt Triple pendant is a gorgeous light that can be used as a statement centrepiece. Inspired by vintage cars, the lampshades have a stunning grill, emitting light downwards as well as upwards for a directed and ambient glow. The design also is reminiscent of Art Deco or even Brutalism, taking on different forms depending on its surroundings.

The Colt Triple pendant lamp has 3 integrated LED modules which are dimmable, casting a long-lasting illumination that can be tailored to your atmosphere. Suitable for domestic and professional settings, the pendant light is available in a brass finish, paired with a sleek black bar.
