PRODUCT DESCRIPTION

Designer: Bert Frank Design Team

Revolve Floor Lamp by Bert Frank

The Revolve floor lamp is part of the Revolve collection, a best-selling range by Bert Frank that is inspired by the Mid-Century Modern design era. The floor light consists of a metal lampshade and a brushed brass structure, featuring clean and simple lines that are minimalist in nature. The shade also features a brass finial that adds an interesting touch to the overall look.

The Revolve floor light can be used in a wide variety of settings and provides a diffused, soft glow perfect for ambience or as a handy reading light in your favourite chair. The floor light has a stunning arched silhouette for easy application and is available in four lovely colours, blue, green, white or black and a base which is colour matched to the shade.
