PRODUCT DESCRIPTION

Designer: Bert Frank Design Team

Bert Frank Riddle Pendant Light

Bert Frank Riddle Pendant Light was the inaugural Riddle design, using a perforated machined-brass shade with a fabric insert to cast a soft, warm light. Its compact form can be used alone or repeated where several points of light are required.

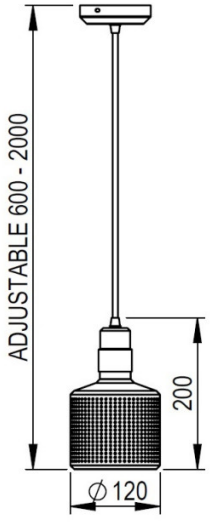

Brushed Brass, Antique Brass, Dark Bronze, and Satin Nickel are available as standard brass finishes, with powder-coated options also offered. Black flex cable is supplied as standard, with other colours available on request, while the pendant height is made to order and can be adjusted on site.

Bert Frank positions the Riddle Pendant as a versatile light for smaller surfaces as well as repeated installations. Best suited above bedside tables, kitchen islands, breakfast bars, and dining areas.

Please note, the product shown features Bert Frank's Textured Black powder-coated details. Alongside Textured Black, Bert Frank also offers Textured Cream, Textured Blue, Textured Green, Textured Oxblood, Satin White, Satin Dove, Satin Hazel, Satin Olive and Satin Black powder-coated finishes. Contact us for pricing and information.
