PRODUCT DESCRIPTION

Designer: Bert Frank Design Team

Riddle Single Wall Light by Bert Frank

Bert Frank Riddle Single Wall Light has an articulated, perforated metal shade with a fabric insert, providing a soft wash of light with the ability to illuminate a feature. The shade can be repositioned to alter where the light falls.

The fitting is available in Brushed Brass, Antique Brass, Dark Bronze, and Satin Nickel, with powder-coated options for the details. Its easy adjustability is a defining part of the design, allowing a compact wall light to provide both softer illumination and more focused light.

The adjustable shade makes the Single Wall Light useful where light needs to be directed without moving the fitting itself. Best suited beside beds, alongside seating, and in hallways or reading areas.

Please note, the product shown features Bert Frank's Textured Black powder-coated details. Alongside Textured Black, Bert Frank also offers Textured Cream, Textured Blue, Textured Green, Textured Oxblood, Satin White, Satin Dove, Satin Hazel, Satin Olive and Satin Black powder-coated finishes. Contact us for pricing and information.
