PRODUCT DESCRIPTION

Designer: Patrick Norguet

Lodes JIM Cone Pendant

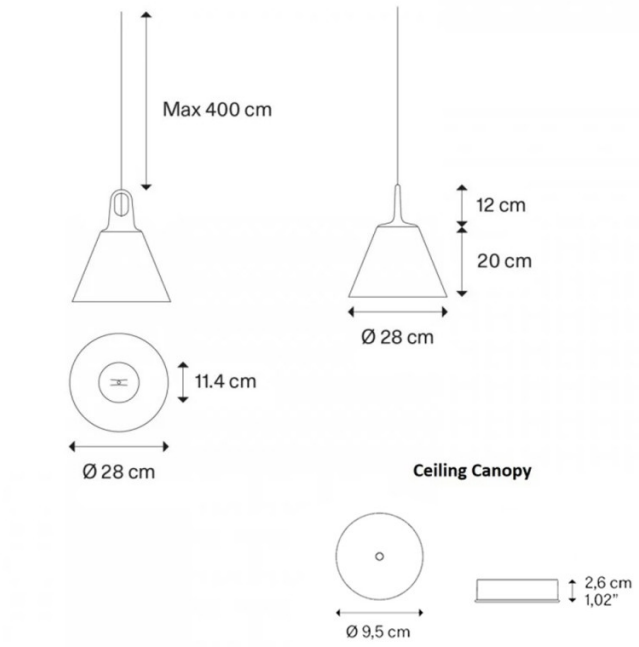

The JIM Cone Pendant is part of the Lodes JIM collection, designed by Patrick Norguet. The cone-shaped pendant emits a wide, downward glow, making it perfect for hanging over tables and work surfaces. The lamp's small size also makes it suitable for arranging in rows or clusters to create a unique installation that perfectly suits its setting.

The JIM Cone Pendant is composed of a Matte Black or Matte Champagne metal lampshade with a methacrylate hook, available in a Grey or Honey finish. The pairing of materials creates an effective contrast which is as captivating as it is durable. Inspired by lampshades found in artists' studios in the early 1900s, the JIM Cone Pendant is a timeless design that suits both domestic and commercial environments.

The JIM Cone Pendant comes with a white standard ceiling canopy. Mini and recessed canopies in alternative colours are available, as well as a multiple ceiling canopy for large configurations. Please contact us for more information and prices.

PRODUCT SPECIFICATION

Light Source:	1 x Max 25W E27 A60 GLS LED (Excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Shade: Ø28cm Shade Height: 32cm Ceiling Canopy: Ø9.5cm Maximum Drop: 400cm
