Parachilna Aballs M Table Lamp

This stunning table lamp by Parachilna features a spherical frosted glass shade perfectly balanced on top of a ceramic base. The base is finished with a selection of metallic reflective colours. The golden adds a touch of elegance and brightness to a space. Meanwhile, the black finish brings a luxurious feel to any bedside table, shelf, or reading nook.

When switched on, using the integrated dimmer switch on the product, the frosted shade illuminates the space with an ambient diffused light. Due to the all-encompassing shade, this table lamp also gives a glare-free 360-degree light output that can be dimmed and adjusted as you please.
