PRODUCT DESCRIPTION

Designer: Nahtrang Studio

Volta LED Multiple Suspension Light by Estiluz

The Volta multiple pendant lamp was designed by Nahtrang Studio as part of the [Estiluz Volta collection](#). The pendant light is characterised by a stunning and delicate arch which suspends gracefully in the air, holding several lampshades. The shades are made from aluminium and have a cylindrical silhouette for a simple and geometric aesthetic.

The Volta multiple suspension is available in two sizes, the Volta T-3535, which has one arch and two shades, and the Volta T-3536, which has two arches and three shades. The slim pendant lights act as spot lights, creating a bright and effective illumination that is also diffused, being perfect for hanging over surfaces and tables. Use in dining areas, kitchens and large spaces for a modern and stylish solution.

PRODUCT SPECIFICATION

Light Source: **Volta T-3535:** 2 x 6.2W, 2700K, 725 Lumens
Volta T-3536: 3 x 6.2W, 2700K, 725 Lumens
