PRODUCT DESCRIPTION

Designer: Danos Salgados

Soft S/30 Pendant Light by Bover

The Soft Outdoor Pendant was designed by Danos Salgados, made from silicone for a versatile and functional fixture. The pendant light features a design that is reminiscent of wine glasses made from Bohemian glass, with a straight edge pattern that is mesmerising and inviting. The light bulb shines out through the pattern, highlighting the craftsmanship and intricacy of the design.

The Soft outdoor pendant lamp is available in three subtle colour finishes, light grey, ochre or olive grey, which all can easily slip to any design scheme. The pendant emits a diffused glow that also directs downwards which makes it perfect for use in outdoor dining areas, bars and hospitality venues. Also suitable for use in the home on terraces and patios.
