VV Cinquanta Wall Light by Astep

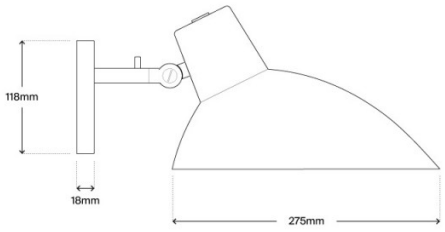

The VV Cinquanta wall lamp was designed by Vittoriano Viganò and is part of the Astep VV Cinquanta collection. Viganò first designed the Cinquanta in 1951 when he was Art Director for the Arteluce designer lighting brand. Wanting to create versatile yet elegant fixture, this wall light is created using top-quality materials, featuring an aluminium shade and a brass wall base.

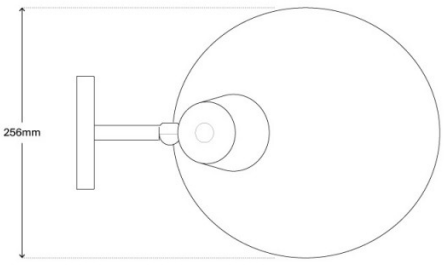

The Cinquanta wall light has a movable shade which can rotate around 350° and can be angled up to 160° allowing you to direct the light flow where you need. The wall lamp is available in six elegant colours, black, white/brass, black/brass, or white/black, so you can find the right finish for your design scheme. Wonderful as both a task or ambient light.

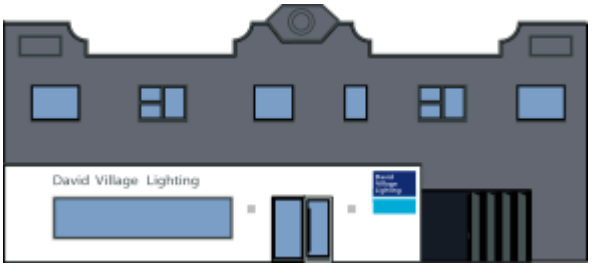

Please note the version with an integrated on/off switch can also be made dimmable as it is mains wired.
