PRODUCT DESCRIPTION

Designer: Martín Azúa

Vibia Halo Jewel LED Suspension

The Vibia Halo Jewel LED Suspension provides an even and inviting light to your room, suspended from a lightweight black or gold structure. Designed by Martin Azua, the Halo Jewel is an elegant luminaire, perfect for above your dining table or in your hallway.

The latest addition to Vibia's bold Halo Collection is an individual pendant light inspired by its predecessors, but with stunning new benefits. A fusion of light and matter through the use of technology, the Halo Jewel is a bold design. Featuring unique light compositions, each model is supported by a fine grade steel structure further lending a clean, minimalist aesthetic to your space. A truly striking pendant light, the Halo Jewel is also able to integrate naturally into any interior and style of room - it is a must-have for any contemporary interior.

When grouped together, these lights turn into an extraordinary light installation that floats and expands in physical space.?
