Aromas Del Campo Delie Wall Light

The Delie Wall Light was designed by JF Sevilla for Aromas Del Campo in 2020 and beautifully encapsulates the brands minimalistic aesthetics. The Delie Wall Light combines marble, metal and glass, carrying a classic sensibility that is paired beautifully with modern craftsmanship and high quality materials. Sevilla puts the focus on illumination with this wall light, combining cylindrical shades with a spherical marble detail that adds a sense of balance to the design. The marble detail adds a burst of elegance to the light and an artistic touch to your environment.

Available in two sizes, Delie can be placed anywhere in your environment for a functional and impressive look. Perfect for hallways, staircases, kitchens and bedrooms; the Delie Wall Light can transform your residential space. When it comes to commercial interiors, Delie is a gorgeous addition to hospitality based spaces, including restaurants, bars and hotels. It can also make an impact in libraries, galleries and environments in the health and wellness sector. Choose from Black Marble and Aged Gold Metal or White Marble and Matt Black Metal to add an elegant touch to any room.
