PRODUCT DESCRIPTION

Designer: Francesca Smiraglia

KDLN Kate LED Ceiling Light

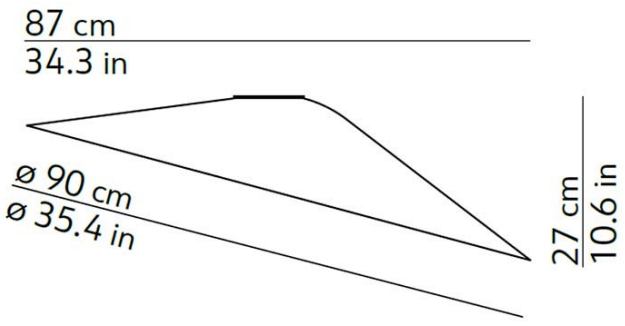

The KDLN Kate Ceiling Light is a study in architectural forms and unconventional proportions. Designed by Francesca Smiraglia, the Kate draws inspiration from the headpiece worn by the Duchess of Cambridge for the 70th anniversary of the British Jubilee. The disproportionate shade is crafted from aluminium, paired with a rotational-moulded polyethene diffuser to create an elegant aesthetic with a sculptural presence.

The Kate Ceiling Light is available in two colour temperatures: 2700K or 3000K. The structure is positioned on the ceiling at a 15-degree inclination, creating an unexpected light diffusion for a warm ambience and a sense of depth. Available in white or gold leaf, the Kate adds a sophisticated presence throughout the home, where a comfortable atmosphere is required. In commercial spaces, the ceiling light suits boutiques, hotel lobbies, and contemporary bars and restaurants.

The Kate Ceiling Light is also available in a range of colourways. Please contact us for more information and pricing.

PRODUCT SPECIFICATION

Light Source:	**2700K**: 65W, 2700K, 6856 Lumens **3000K**: 65W, 3000K, 6956 Lumens
