PRODUCT DESCRIPTION

Designer: Christophe Mathieu

Marset Sips LED Portable Table Lamp

The Marset Sips Portable Lamp is another elegant design by Christophe Mathieu. This slender table lamp emits an intimate illumination and includes a three-step touch dimmer on the base; this allows you to easily personalise the ambience. The small opaque shade on the head of Sips illuminates the table directly without overpowering the space and without glare. The lack of cables makes it easy to transport the Marset Sips anywhere and thanks to the IP43 rating, you can even enjoy the calming joy of this lamp outdoors.

Sips is a beautiful addition to bedrooms, living areas, balconies and terraces in residential environments. Similarly, this portable lamp is ideal for commercial spaces in the hospitality sector, specifically in hotels, restaurants and bars. It is available in three finishes that can adapt easily to a range of interiors. The white shade comes with a silver stem, whereas the green and brown finishes broadcast a contrasting gold stem.

Please Note: Marset Sips ships with only a USB-C charging cable. No wall plug is included.

Battery Life:**5 hours on the highest power.****10 hours on half power.****20 hours on the lowest power.****Charging Time: 10 hours.**
