PRODUCT DESCRIPTION

Designer: John Tree

HAY Apex Clip Lamp

Created by British designer John Tree, the HAY Apex Clip Lamp is the most versatile piece in the **Apex Collection**. The clip enables the lamp to be fixed to a wide variety of vertical and horizontal surfaces around your home, while the shade rotates 360 degrees for directional lighting. Colour is a key element of the design. The bright colour palette contrasts beautifully with the sleek chrome base, adding a playful twist to the lamp's aesthetic.

The Apex Clip Lamp offers a functional lighting solution for a multitude of environments, from workspaces to bedrooms. The adjustable shade can be positioned to create task or ambient lighting, depending on requirements. Clip beside a bed or sofa for a functional reading light, or on a shelf or bookcase to provide accent lighting. Echoing the appearance of a classic Banker's Lamp, the Apex Clip Lamp balances familiarity with contemporary expression.

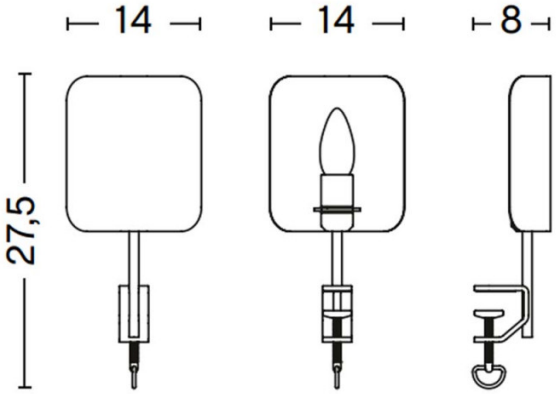

PRODUCT SPECIFICATION
