Anglepoise + Paul Smith Type 75 Floor Lamp Edition One

The Anglepoise + Paul Smith Type 75 Floor Lamp Edition One is a bright and cheery take on a classic Anglepoise design. Fashion designer Paul Smith collaborated with the lighting brand to combine the unmistakable form of the **Type 75** with his distinctive style, resulting in a playful patchwork of colours that evokes feelings of summer.

The Anglepoise + Paul Smith Type 75 Floor Lamp Edition One maintains the quality and functionality that's expected of an Anglepoise lamp. Its signature spring mechanism ensures effortless adjustability, allowing for directed light that can be moved as required. Casting a bright beam of light, the lamp is best suited for living rooms, office spaces, and reading corners where direct, functional lighting is required. With a sophisticated charm and timeless appeal, the Type 75 Floor Lamp Edition One will elevate interiors in both residential and commercial settings.
