Nuura Petalii Floor Lamp

Nuura Petalii Floor Lamp was created by Nika Zupanc, a Slovenian industrial designer with a passion for interior design. Add a romantic element to any interior décor with this lamp's elegantly curved stem and soft, floral-shaped shade. The Petalii floor lamp is crafted from slim pieces of metal and features a narrow stem in polished brass, curving to a white metal shade shaped like a single flower blooming. Zupanc designed the light source to be placed at the heart of the bloom, illuminating the immediate surroundings by a sofa or in the corner of a lounge area.

The sculptural design of the Petalii Floor Lamp comes in one standard size and colourway. This lampshade has been shaped into a blossoming flower and sprayed white with matte powder-coated paint while the detailing has a polished brass finish. Petalii floor lamp is also available as a [Petalii suspension](#) and a [Petalii pendant](#). The Petalii Floor lamp from Nuura has been awarded 'Best Floor Lamp' and 'Best in Class: Lighting' at the prestigious Livingetc Style Award 2024.
