PRODUCT DESCRIPTION

Designer: Broberg & Ridderstråle

Pholc Apollo 180 Floor Lamp

Pholc Apollo 180 Floor Lamp was designed by the Stockholm-based creative collaborators Broberg & Ridderstråle. Together, they strive to add an emotional value to their designs that communicate with the users through the recognition of symbols and meanings. Often, their inspiration is drawn from everyday life combined with a rational approach and a pinch of wit.

Apollo 180 is a Floor Lamp which has been made from a solid piece of machine-turned brass or aluminium. Its conical-shaped shade balances on the top of the aluminium stem like a spinning gyro. Pholc Apollo 180 Floor Lamp is also available as a pendant lamp in multiple colours, that can be used singularly or hanging in various heights as a group constellation. The iconic Apollo collection was awarded Lamp of the Year by Plaza Interiör in 2018. [Pholc Apollo collection](#) consists of two different shaped pendants, a wall light and a floor lamp.

PRODUCT SPECIFICATION

Light Source: 1x Max 7W, GU10 (Excluded)**IP Code:** 20**Dimming:** In line on off switch on cable**Dimensions:** Height: 180cm
Diameter: Ø 25cm
