PRODUCT DESCRIPTION

Designer: Tala Lighting

Tala Voronoi II Triple Pendant

Inspired by nature and the patterns in leaves and forest canopies, the Tala Voronoi II Triple Pendant is an elegant yet abstract lighting solution which provides warm illumination. Combining three Voronoi II bulbs, three signature Tala pendants and a circular ceiling canopy, this lighting installation can suit a range of contemporary interiors. The borosilicate glass abstract bulbs are mouth-blown and coated with an iron tint finish in order to create a soft and layered light refraction.

The metal detailing of the ala Voronoi II Triple Pendant is available in four finishes (Brass, Graphite, Oak or Walnut). The bold size and stylish form of the Voronoi bulbs draw the eye even when turned off, whilst still providing high performance and perfect dimming when turned on.

Please Note: The Tala Voronoi II Triple Pendant is supplied with a black ceiling canopy as standard.

PRODUCT SPECIFICATION

Light Source: 3 x Max 3W E27 LED Tala Bulb (included)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions:
