PRODUCT DESCRIPTION

Designer: Bert Frank Design Team

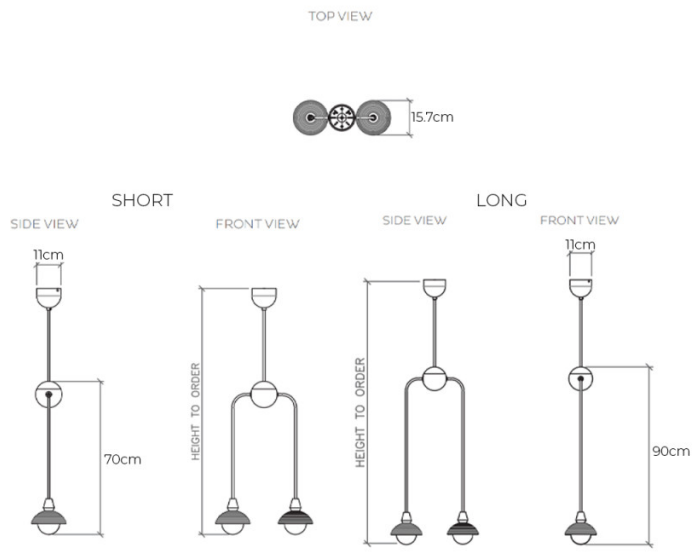

Bert Frank Eos Pendant Light Drop 2

The Eos Pendant Light Drop 2 by Bert Frank combines refined aesthetics with the durability of British craftsmanship. Inspired by the graceful form of chalices, this pendant is crafted with precision, featuring dual frosted glass globes that cast a gentle, ambient light. The pendant's brasswork is available in finishes like brushed brass, antique brass, and dark bronze, each bringing a unique texture and depth to the design. Handcrafted in the UK, the Eos Pendant Light Drop 2 embodies Bert Frank's ethos of creating lighting that is both functional and decorative.

This pendant's double drop design makes it an ideal choice for spaces needing balanced light distribution, such as dining areas, reception rooms, or entryways. Customisable drop lengths ensure flexibility for various ceiling heights, while the two frosted globes soften the light to create a warm, inviting atmosphere. The Eos Pendant Light Drop 2 is more than just lighting; it's a piece of art that celebrates both form and function, promising enduring quality and style.
