PRODUCT DESCRIPTION

Designer: Omer Arbel

Bocci 14.3 Series Trio Suspension Light

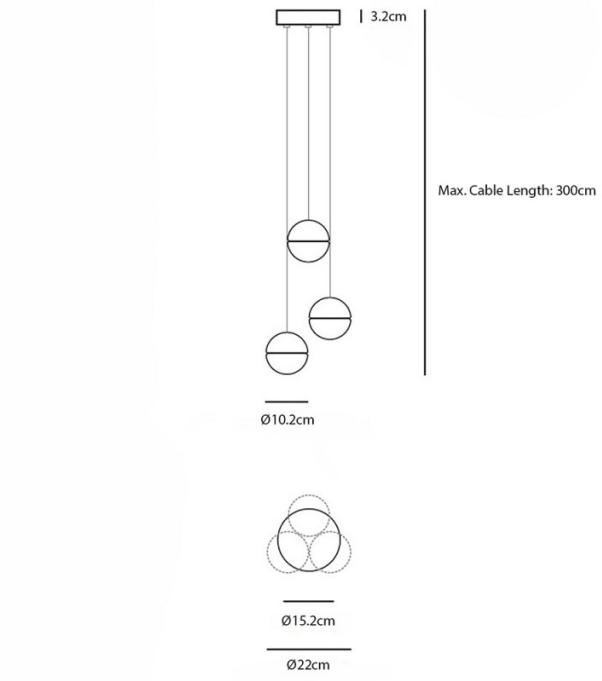

The 14 Series multi-pendant light is made up of 3 of the **14.1 Pendant Lights**, and is a spectacular and chic light fixture. Each shade is made from gorgeous borosilicate glass which holds the included LED light source. You can choose between an **LED 1W** light bulb which is non-dimmable or a **Xenon 10W** dimmable bulb. The bulbs that are included by Bocci on purchase ensure a long-lasting glow that twinkles out of the glass spheres in a beautiful and mesmerising way.

The 14 Series pendants can be used in many settings, whether you want a big centrepiece light or an atmospheric light to brighten up a corner. You can also adjust each pendant lamp to different lengths, giving you full control over the aesthetic and styling of the pendant.

Please note, the Bocci 14.3 Series Trio Suspension Light is supplied with a white ceiling canopy as standard. Black and Brushed Nickel canopy finishes, along with the Mirror 1 glass finish, are also available on request. For further information and pricing, please contact us.
