PRODUCT DESCRIPTION

Designer: Poul Henningsen

Louis Poulsen 3/3 Pale Rose Pendant

The PH 3/3 Pale Rose Pendant was designed based on the iconic three-shade system by Poul Henningsen. After creating this design in 1926, Henningsen continued to produce pieces based on this system as the luminaires were not only elegant and stylish, but were also efficient in reducing glare and shadow. The Pale Rose Pendant features three translucent mouth-blown opal shades that create a warm glow around the pendant.

The PH 3/3 Pale Rose Pendant is designed to be hung up high to bathe the room in light. The soft, diffused glow creates a warm and inviting atmosphere, perfect for adding ambient lighting to bedrooms and living rooms. As these shades feature mouth-blown glass, each pendant will vary slightly in thickness and colour, making each piece unique in its own right. Whether switched on or off, the 3/3 Pale Rose Pendant creates a beautiful display and adds a touch of elegance to every interior.

PRODUCT SPECIFICATION

Light Source: 1 x Max 4.8W E27 LED (Excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: Ø28.5cm
Height: 30.7cm
Cable Length: 400cm
