Bert Frank Doma Spotlight

The Bert Frank Doma Spotlight is a sleek and focused lighting solution, designed to offer both precision and visual refinement. Crafted from solid brass with a ribbed front cap in Brushed Brass as standard, this compact spotlight lends itself to a variety of interior applications, from highlighting architectural features to creating layered lighting schemes.

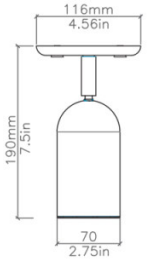

Supplied with a LED bulb, the Doma Spotlight provides warm white light at 2700K. Its clean, understated form is complemented by carefully engineered details and a choice of four elegant finishes - Brushed Brass, Antique Brass, Dark Bronze, and Satin Nickel - allowing it to integrate effortlessly into contemporary or traditional spaces.

Handcrafted in the UK using a combination of traditional and modern techniques, the Doma Spotlight exemplifies Bert Frank's commitment to British manufacturing and thoughtful design. Suitable for residential and commercial environments alike, it combines practicality and visual impact in one compact form.
