Bert Frank Revolve Stem Floor Lamp

Tall, slim and minimal, the Revolve Stem Floor Lamp delivers understated elegance through its sleek mid-century silhouette. Its overhanging spun metal shade, available in five refined lacquered finishes, is paired with a hand-brushed brass stand and base for a balanced and tactile presence.

The integrated pull-chain switch and coordinated colour detailing on the base provide subtle functional accents, while the opal diffuser ensures a soft and ambient light. Designed to blend effortlessly into any space or stand proud as a statement piece, this floor lamp complements both contemporary and classic interiors with equal ease.

Crafted and assembled in Bert Frank's Birmingham workshop, the Revolve Stem Floor Lamp exemplifies the brand's commitment to enduring quality and thoughtful British design.
