Bert Frank Riddle Single Floor Lamp

Bert Frank Riddle Single Floor Lamp has a perforated machined-brass shade with a fabric insert, producing a warm glow of directional light. A brass upstand connects the shade to a heavyweight powder-coated brass base.

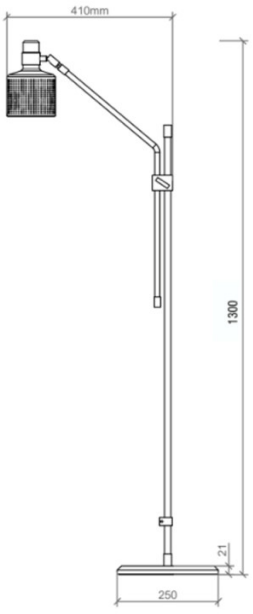

Four brass finishes are offered: Brushed Brass, Antique Brass, Dark Bronze, and Satin Nickel, alongside a choice of powder-coated options. Black flex cable is supplied as standard, with other cable colours available on request. The result is a striking yet understated floor lamp.

The directional light makes the Single Floor Lamp particularly useful beside seating. Best suited to living rooms, bedrooms, studies, and reading areas.

Please note, the product shown features Bert Frank's Textured Black powder-coated base. Alongside Textured Black, Bert Frank also offers Textured Cream, Textured Blue, Textured Green, Textured Oxblood, Satin White, Satin Dove, Satin Hazel, Satin Olive and Satin Black powder-coated finishes. Contact us for pricing and information.
