PRODUCT DESCRIPTION

Designer: Bert Frank Design Team

Bert Frank Shear XL Pendant

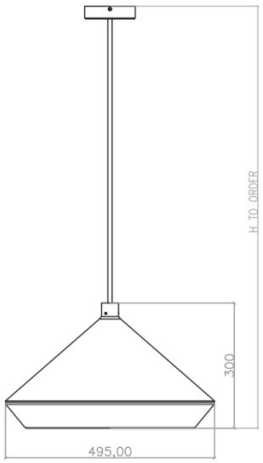

Luxury and versatility only occasionally go together, but the Shear XL Pendant achieves both with confidence. This bold addition to the Shear collection showcases a large, turned metal shade paired with a brushed interior that diffuses light with softness and warmth. Designed to command attention without overwhelming a space, its elegant silhouette is anchored by a custom brass drop rod and refined ceiling canopy.

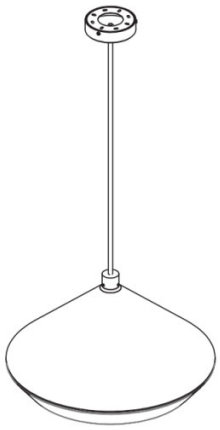

Available in a range of bespoke finishes, the Shear XL Pendant offers flexibility for residential and commercial settings alike, from high-ceilinged living spaces to boutique hospitality environments. Handcrafted in Birmingham and grounded in 1930s design cues, it upholds Bert Frank's commitment to enduring British design and uncompromising quality.

Please note, a custom drop length is required when ordering. Contact us for pricing and information.
