PRODUCT DESCRIPTION

Designer: Bert Frank Design Team

Bert Frank Triarc Pendant

A bold sculptural centrepiece, the Bert Frank Triarc Pendant features three intersecting brass discs suspended from a single drop rod. The design plays with form and shadow, creating a dynamic silhouette that shifts with the angle of view. Fitted with black or opal diffusers, it offers a warm, ambient glow while retaining its striking geometry.

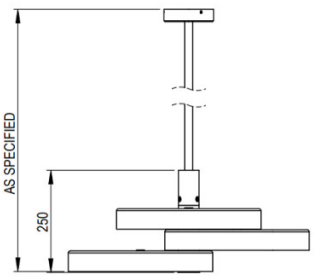

The overlapping discs produce a soft halo effect, adding depth and drama without overwhelming a space. Whether installed as a single fitting or in a cluster, Triarc brings a refined architectural presence to dining areas, stairwells, and commercial interiors alike. High-grade machined brass adds a tactile richness and lasting appeal.

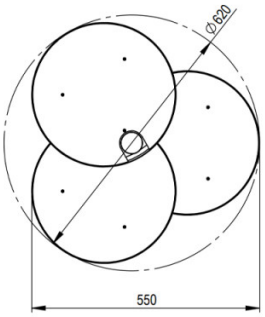

Hand-assembled in the UK, the pendant reflects Bert Frank's commitment to craftsmanship and enduring design. It's a confident yet versatile piece, sculptural, functional, and built to stand the test of time.

Please note, a custom drop length is required when ordering. Contact us for pricing and information.

PRODUCT SPECIFICATION

Light Source:	9 x Max 4W G9 LED (Included)
IP Code:	20
Dimming:	Dimmable via Triac dimming.
Dimensions:	Shade: Ø62cm Height: 25cm Drop Length: Custom drop length is required when ordering.
