PRODUCT DESCRIPTION

Designer: Marie & Alexandre

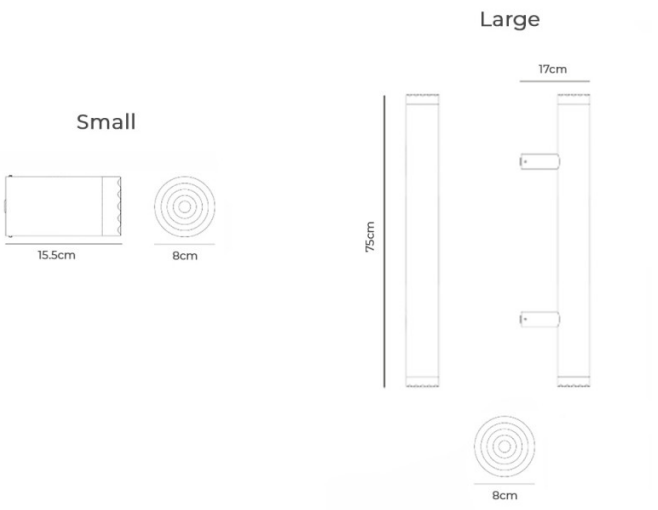

Petite Friture PYL Wall / Ceiling Light

The PYL Wall/ Ceiling Lamp is created by design duo Marie & Alexandre. The lamp features a tubular frame, highlighting the minimalistic, geometric design. The wall/ ceiling lamp is available in two sizes. The small has a height of 15.5cm, and the large is 75cm high. While both sizes are available in a sleek, steel grey finish, the large lamp also comes in a bright red finish. Display both sizes and colourways in clusters for a dynamic display that creates a playful rhythm of shapes and colours.

A ribbed, press-moulded glass diffuser distributes light into a soft, even glow. In the large size, directional light is dispersed from both ends, bathing the surrounding surface in a warm light. With an IP rating of 44, the PYL Wall/ Ceiling Lamp is splash-proof, making it suitable for bathrooms, wet rooms, or covered outdoor areas. As it sits close to the surface it's installed on, the PYL Wall/ Ceiling Lamp is an ideal space-saving lighting solution, suitable for a range of interiors. Install the wall/ ceiling lamp with other pieces from the **PYL Collection** to create a vibrant, playful display that creates a dynamic interplay of shapes and colours.

PRODUCT SPECIFICATION

Light Source:	**Small:** 10W, 2700K, 960 Lumens **Large:** 10W, 2700K, 1920 Lumens
