PRODUCT DESCRIPTION

Designer: Vilhelm Lauritzen

Louis Poulsen VL Ring Crown Table Lamp

The Louis Poulsen VL Ring Crown Table Lamp brings Lauritzen's organic VL language to a compact table format, pairing a downscaled mouth-blown opal glass shade with satin-polished brass. The three-layer glass conceals the source to produce a soft, glare-free glow, while the brass adds a gentle lustre that will mellow with age on the untreated EU and UK versions. A discrete on-base switch keeps operation simple, making this an easy choice for side tables, shelves and bedside settings where calm ambience is the priority.

Rooted in the VL Ring Crown family first created for Copenhagen's Radiohuset, the Louis Poulsen VL Ring Crown Table Lamp balances atmosphere with practicality. The compact footprint and even diffusion suit reading nooks and living spaces, while the durable materials and straightforward maintenance support daily use in residential and hospitality interiors. Used alone or paired with VL pendants and wall lights, it helps build a cohesive, warm lighting scheme across a project.

PRODUCT SPECIFICATION

Light Source: 1 x Max 20W E14 (Excluded)

IP Code: 20

Dimming: Integrated on/off switch on the product.

Dimensions: Height: 43.6cm
Shade: Ø15cm
Base: Ø15cm
Cable Length: 300cm
