PRODUCT DESCRIPTION

Designer: BEGA

BEGA 84499 LED Outdoor Bollard

Designed to provide glare-free illumination along pathways, the BEGA 84499 LED Outdoor Bollard is crafted from accoya wood with metal detailing and a glass diffuser. This bollard unites function and aesthetics and creates a harmonious atmosphere in any garden through much more than just its light effect. When illuminated, the wood comes to life and highlights the detailed grain in the material for a more intricate silhouette.

Emitting a lighting output with a colour temperature of 3000K, the BEGA 84499 LED Bollard provides warm downlighting. A combination of cost-effective and modern LED technology. A great way to brighten up your garden, terrace, patio or entryway. The BEGA 84499 can also be used in commercial settings.

Please Note: The BEGA 84499 Bollard is supplied with a screw on base as standard, but an anchorage unit can also be supplied at an additional cost. Please [Contact Us](#) for information and pricing.
