BEGA 84751 LED Outdoor Bollard

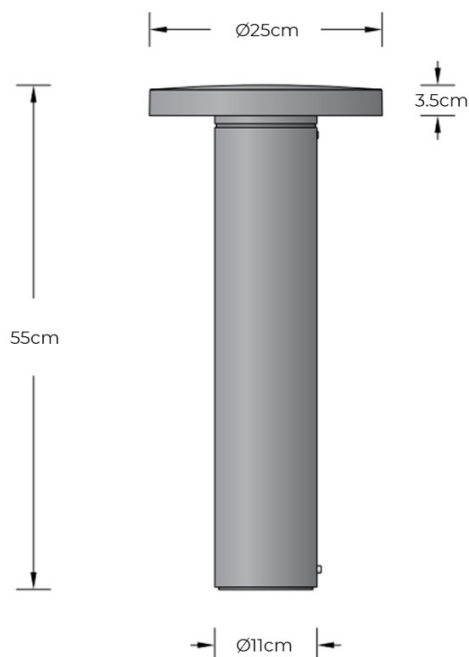

The BEGA 84751 LED Outdoor Bollard is a minimalistic lighting solution, providing functional downlighting with a sophisticated aesthetic. This bollard is perfect for along pathways and terraces in private gardens and house entrances where uniform, glare-free lighting is required. The LED light source is projected exclusively onto the surface and the direct surroundings below.

Available in a graphite or silver finish, the cast aluminium structure is durable and protected against the elements with an IP65 rating, whilst the integrated LED technology is low maintenance and cost-effective.

Please Note: The BEGA 84751 Bollard is supplied with a screw on base as standard, but an anchorage unit can also be supplied at an additional cost. Please [Contact Us](#) for information and pricing.
