**1 x High Dusty Blue Available.**

Part of the flexible and refined Collect Lighting series by Ferm Living, the Collect Pendant offers a minimalist and highly customisable foundation for your lighting setup. Available in three distinct styles – Low Socket, High Socket, and Bell Socket – each variant features a clean, powder-coated or brass finish with a decorative metal ring for added refinement. Whether used as a standalone light fixture or paired with one of Ferm Living's many compatible shades, the Collect Pendant brings understated elegance and practicality to any space.

Designed with versatility in mind, this pendant is ideal for hallways, kitchens, or clustered installations. Each socket comes complete with a matching 3-metre fabric-covered cord and a coordinating ceiling canopy, allowing for straightforward installation and a unified finish.

**While the Ferm Living Collect Pendant can be used individually, we also have a series of accompanying Collect shades in our Clearance section in various shapes and sizes.**
