PRODUCT DESCRIPTION

Designer: Massimo Minale

Buster + Punch 1G Modular Toggle Switch

The 1G toggle switch is a stunning choice for a mains on/off light switch. Created with the same design aesthetic as the rest of the Buster and Punch collection, this toggle switch can be used alongside many of their lighting products. The toggle arm is made from solid metal, steel or brass and has either a linear or cross knurl pattern for added elegance. Available in numerous finish options, this switch can adapt to a variety of interiors.

The 1G Modular Toggle Switch by Buster + Punch is part of their Custom Switches + Sockets collection. This allows you to choose the finish of each individual component. Please [contact us](#) for custom configurations and pricing.
