Aromas Del Campo Dussa Chandelier

BRAND NEW, OVERSTOCK. BOXED IN A-GRADE ORIGINAL PACKAGING.
1 x Matt Black / Travertine Available.

The Aromas Del Campo Dussa Chandelier is a multi-arm ceiling light, designed by Pepe Fornas. It pairs matt metalwork with natural stone shades to deliver decorative, downward-directed overhead light and sculptural presence. The Dussa is offered in Matt Black with Travertine shades.

Light sources sit within the downward-facing hemispherical stone caps, directing light downwards rather than as a fully omnidirectional glow. The result is a considered ambient luminaire suitable for dining rooms, entryways and living spaces.
