PRODUCT DESCRIPTION

Designer: Joe Colombo

Kartell KD28 Table Lamp

Kartell KD28 Table Lamp brings Joe Colombo's 1967 design back into the Kartell Lighting collection. Its rounded base and satin-finish shade preserve the compact shape of the original, now made from batch-dyed recycled PMMA.

The satin surface projects a warmer, more enveloping light for areas where comfortable background illumination is preferred. The KD28 can be used individually as a table lamp, or multiple lamps can be stacked together to form a taller floor lamp arrangement. This modular format allows the height and visual presence of the light to be adapted to the room, while a fabric-covered power cable matches the colour of each base.

The KD28 is available in Orange, Burgundy, Petrol, Mustard, Taupe, Forest Green, White, and Black. It is most suited to bedside tables, desks, sideboards, shelving, and stacked floor lamp arrangements in living spaces.

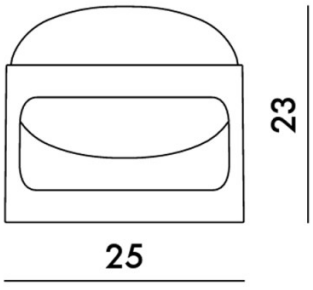

PRODUCT SPECIFICATION

Light Source: 1 x Max 5W E14 LED (Included)

IP Code: 20

Dimming: In-line on/off switch included on cable.

Dimensions: Height: 23cm
Width: 25cm
