HAY Canelé Table Lamp

Design studio Leclercq Viallet created the HAY Canelé Table Lamp. Design duo Théo Leclercq and Camille Viallet expertly play with structure and softness, contrasting the folded steel frame against the pleated fabric. The result is an elegant table lamp with a playful presence that suits both residential and commercial spaces. The shade's pleats create a subtle striped effect, adding a sense of depth and texture to the lamp.

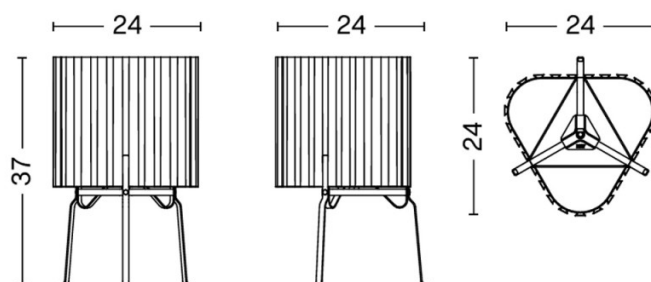

The HAY Canelé Table Lamp emits a warm glow, creating a cosy and welcoming atmosphere. This soft lighting suits bedrooms, living spaces, and dining rooms, adapting seamlessly to tables, floors, shelves, or windowsills. Available in four colourways, Tomato Red, Soft Blue, Warm White, and Almond Green, the Canelé Table Lamp adds a splash of colour and a bold personality to any interior.
