PRODUCT DESCRIPTION

Designer: Poul Henningsen

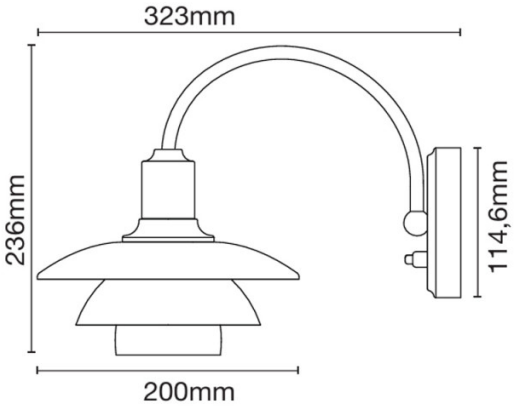

Louis Poulsen PH 2/2 Wall Lamp Centenary Edition

The PH 2/2 Wall Lamp Centenary Edition is launched to commemorate 100 years of the iconic System PH. Developed by Poul Henningsen in 1926, the three-tiered shade system provides comfortable and glare-free lighting, combined with the elegance of Scandinavian design. Crafted from aged brass and featuring mouth-blown glass shades, the PH 2/2 Wall Lamp adds a distinct vintage feel to any interior.

The decorative appearance of the PH 2/2 Wall Lamp Centenary Edition adds an ornamental element, even when not in use. When illuminated, the Amber upper shade and White Opal lower shades diffuse light into a soft glow. The combination of upward and downward-directed light creates a harmonious mix of directed and ambient lighting. Display individually or in pairs to frame a doorway for a sense of balance. Alternatively, install in rows lining a hallway for a uniform distribution of light.

PRODUCT SPECIFICATION

Light Source:	1 x Max 5W E14 (Excluded)
IP Code:	20
Dimming:	**With Cable:** Integrated on/off switch on the product. **With Switch:** Integrated on/off switch on the product. **Without Switch:** Non-Dimmable.
