PRODUCT DESCRIPTION

Designer: Poul Henningsen

Louis Poulsen PH 5 320 Opal Pendant

The Louis Poulsen PH 5 320 Opal Pendant is a new take on the ever-iconic PH 5 Collection. Featuring a soft opal pastel colour palette, the PH 5 320 offers a soft aesthetic to the PH 5, while the combination of light, texture, gloss, and translucency adds depth and a sense of intrigue to the design. This new edition has been scaled down true to the original, measuring Ø32 cm. Its compact design allows the pendant to fit into a wide range of interiors and spaces.

Designed to provide glare-free illumination, the PH 5 320 Opal casts a shadowless, atmospheric glow through its opalescent shade. With the bottom diffuser glass removed, it delivers enhanced downward light output, making it especially well-suited for use above a dining table. Display it individually over smaller tables, arrange several in a row along longer surfaces, or group them in clusters to create a sculptural focal point.

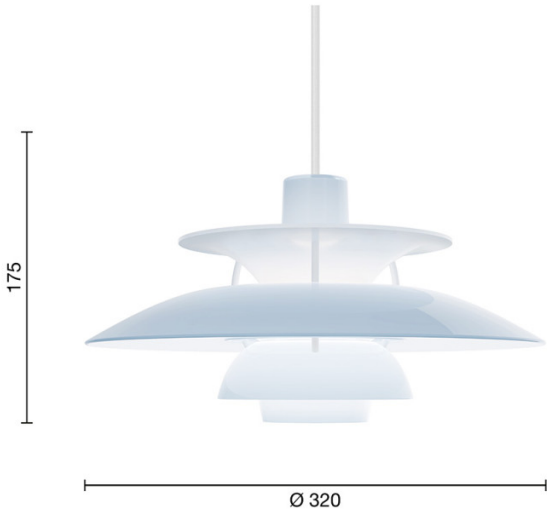

PRODUCT SPECIFICATION

Light Source: 1 x Max 20W E14 LED (Excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: Ø32cm
Height: 17.5cm
