PRODUCT DESCRIPTION

Designer: Porta Romana Lighting

Porta Romana Holden Library Wall Light

The Porta Romana Holden Library Wall Light is a refined extension of the Holden family, combining a moveable cane-wrapped arm with simple brass detailing for a look that feels both tailored and naturally textured. The combination of metal and cane creates a striking contrast of materials while maintaining a smart, architectural profile. Available finishes include Dark Cane with Brass and Dark Cane with Antique Brass, with a choice of lampshade options to suit any interior.

With its recommended 5.5-inch Fez shade and LED E14 candle lamp, the Holden Library Wall Light produces a warm, focused yet softly diffused glow, making it ideal for reading areas and intimate accent lighting. Its adjustable arm makes it especially well suited beside a bed, over a desk, in a reading nook, or anywhere a decorative wall light with practical directional illumination is required.

The Porta Holden Library Wall Light is available with a wide range of shade fabrics and linings. Please [contact us](#) for more information and pricing.
