### Oluce Lanternina Pendant

**BRAND NEW, OVERSTOCK. BOXED IN A-GRADE ORIGINAL PACKAGING.**

**2 x Transparent Available.**

The Oluce Lanternina Pendant Light is the compact counterpart to the Lanterna Pendant, designed by Marta Laudani & Marco Romanelli in 1998. Retaining the timeless appeal of its larger sibling, Lanternina combines a transparent outer diffuser with a sand-blasted inner diffuser, both crafted from premium Murano glass. This smaller pendant light provides a soft and evenly diffused illumination, perfect for creating a cosy and inviting atmosphere.

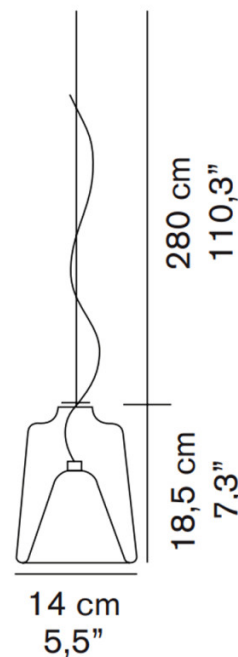

With its delicate design and understated elegance, the Lanternina Pendant Light is an excellent choice for smaller spaces or for use in clusters. Its compact size and refined aesthetic make it ideal for kitchens, dining rooms, or as accent lighting in living areas. Supported by an anodised metal structure, this pendant effortlessly bridges classic and contemporary design, enhancing the ambience of any space.
