Porta Romana Willow Wall Light

The Porta Romana Willow Wall Light is a graceful, vintage-inspired design modelled on an old French streetlight, reimagined with a contemporary twist. Its long, softly curving arm creates an elegant arc from the wall, positioning the shade to provide both downward-facing illumination and gentle side light.

Constructed from steel and brass with a decorative finish, the Willow is available in French Brass, Burnt Silver, and Bronzed, each bringing a refined metallic character to the design. Paired with a 5-inch Kelly Empire shade, the sleek metal arm contrasts against the texture of the fabric shade, creating a warm and atmospheric glow. Slim yet sculptural, the Willow Wall Light is ideal for hallways, bedrooms, living spaces, and dining rooms, whether used alone as a statement accent or in pairs for balanced, ambient lighting.

The Porta Romana Willow Wall Light is available in different finishes with a wide range of shade fabrics and linings. Please contact us for more information and pricing.
