Porta Romana Hugo Floor Lamp

The Porta Romana Hugo Floor Lamp's minimalist design brings a touch of elegance to both contemporary and traditional interiors. Its gently curved arm creates a graceful silhouette, while refined detailing adds a subtle decorative touch without overwhelming the lamp. Available in finishes including Polished Brass and Chocolate with Aged Brass, the Hugo Floor Lamp offers a balance of warmth, craftsmanship and understated sophistication.

Crafted from patinated unlacquered brass with leather detailing, the Hugo Floor Lamp has a luxurious character that will continue to develop over time as the patina naturally evolves. Paired with the recommended 8-inch Hugo Fez shade, it provides a soft pool of light, making it perfect for use beside a sofa, in a study, or in a reading nook.

The Porta Romana Hugo Floor Lamp is available in different finishes with a wide range of shade shapes, fabrics, and linings. Please contact us for more information and pricing.
