Porta Romana Sasa Table Lamp

The Porta Romana Sasa Table Lamp is a reinterpretation of the classic candlestick table lamp silhouette, featuring an ornate, bamboo-inspired stem. Its elegant aesthetic is complemented by a Brass Ember or Old English Brass finish. Created by hand by Porta Romana's painting studio, this patinated finish subtly deepens over time, adding to the Sasa's character.

Paired with Porta Romana's Bongo Shade, the Sasa Table Lamp provides glare-free lighting for a warm ambience, perfect for use in living rooms, bedrooms, or offices. The shade directs light upwards and downwards for added atmosphere and functional lighting that suits a wide range of settings. Available in small and large, the Sasa Table Lamp can be displayed individually or in multiples of different sizes for a dynamic composition that adds a touch of nature to residential and commercial interiors alike.

The Porta Romana Sasa Table Lamp is available in alternative finishes with a wide range of shade fabrics and linings. Please contact us for more information and pricing.
