Porta Romana Boublé Table Lamp

The Porta Romana Boublé Table Lamp is a sculptural, retro-inspired ceramic lamp. Its distinctive silhouette and expertly crafted finish beautifully reflect Porta Romana's design language, offering a decorative touch to any interior. Due to the multiple glazes and firing process, individual markings and slight variations will occur on each lamp, ensuring you have a truly unique piece.

When displayed with Porta Romana's recommended 16" Straight Oval shade, the Boublé Table Lamp produces a warm and ambient glow. Light escapes through the top and bottom of the shade for functional lighting, perfect for use on an office desk, bedside table, or in a reading nook. Display individually or in pairs, framing a bed or sofa, for a cohesive display that creates a sense of balance.

The Porta Romana Boublé Table Lamp is available in alternative finishes and a wide range of shade shapes, fabrics, and linings. Please contact us for more information and pricing.
