PRODUCT DESCRIPTION

Designer: Sebastian Wrong

Established & Sons Filigrana LED Lantern Portable Lamp

The Established & Sons Filigrana LED Lantern Portable Lamp is an extension of the [Filigrana Collection](#), named after the traditional Venetian glass-blowing technique. Maintaining the collection's distinct design language, the Filigrana Lantern features hand-rolled coloured stripes of glass for a playful expression and strong personality. The candy-cane pattern is available in three bold colourways: Red, Blue, and Yellow.

The Filigrana LED Lantern Portable Lamp is chargeable via an included USB-C magnetic charging TPE cable. Once fully charged, the Filigrana offers between 8 and 10 hours of light. An integrated dimmer on the product allows users to adjust light intensity to suit any environment. With an IP rating of 65, the Filigrana LED Lantern Portable Lamp is suitable for both indoor and outdoor use. Its thoughtfully designed handle makes it easy to transport throughout the home, providing warm, diffused light where needed.
