PRODUCT DESCRIPTION

Designer: Hollis + Morris

Hollis + Morris Willow Wall Light

The Hollis + Morris Willow Wall Light is a symmetrical and organic accent lighting solution, inspired by the form of a freshly bloomed tree branch. Similar to the rest of the collection, the Willow Wall Light continues to showcase the interplay of materials, blown glass, metal and wood, and the precision of their connections. Fitted with four hand-blown glass diffusers, the Willow Wall Light offers glare-free illumination.

This Wall Light offers you the choice between four wood finishes: W.Oak / Natural, W.Oak / White, W.Oak / Black, and Walnut / Natural. And a variety of metal detailing colours: Stainless, Brass, Copper, Antique Brass, Oxidised Bronze, Antique Bronze, Powder-coated White, and Powder-coated Black. This ensures a vast array of combinations, allowing you to choose a design that suits your interior, no matter what your personal style. This lighting solution is the perfect addition for above or next to mirrors in dressing rooms and entryways.
