PRODUCT DESCRIPTION

Designer: Hollis + Morris

Hollis + Morris Willow Sconce

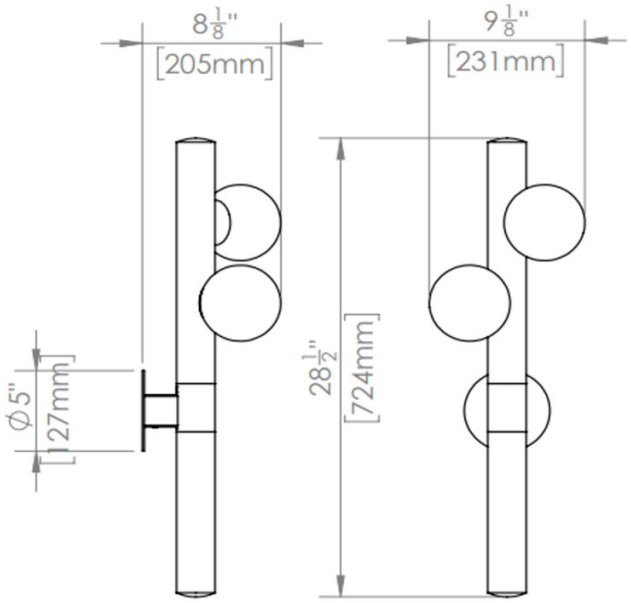

Resembling a tree branch starting to bloom, the Hollis + Morris Willow Sconce explores the interplay of materials, combining solid wood, hand-blown glass and metal. The glass spheres fitted to the structure enclose an inner light source, softly diffusing the illumination to prevent glare and offer soft accent lighting.

The wooden structure of the Willow Sconce is available in four wood finishes: W.Oak / Natural, W.Oak / White, W.Oak / Black, or Walnut / Natural. While the metal detailing is available in the following finishes: Stainless, Brass, Copper, Antique Brass, Oxidised Bronze, Antique Bronze, Powder-coated White, or Powder-coated Black. The illumination from the concealed light source highlights the surrounding wood grain and adds further detail to the design while celebrating the beauty of oak and walnut.

Please Note: The Hollis + Morris Willow Sconce is also available in a mirrored orientation, shifting the location of the glass diffusers. Please Contact Us for more information.

PRODUCT SPECIFICATION

Light Source:	2 x 2.5W G4 LED (Included)
IP Code:	20
Dimming:	Dimmable via Triac dimming.
Dimensions:	Height: 72.4cm Depth: 20.5cm Width: 23.1cm
